Represent meaning in tamil

Will represent meaning in tamil. Represent time meaning in tamil. Represent words in tamil meaning. Represent number meaning in tamil.

A phrase is a group of words that makes a full sense and thinking. I. Simple Phrases: A simple phrase contain only a clause and may be as short as a word. They have a subject and a predicate, and can include modifiers. Go! Kamal goes. John eats pizza. Each of these sentences has the same simple structure. The length does not necessarily affect the structure, although a factor is often. II. Interrogative Sentence: Sentness that are used to ask questions are called interrogative sentence or question sentence. Questions or interrogative sentences, ask who, what, where, why, or how. Starting a sentence or independent clause with one of these words is almost always a clear indicator of a direct question. What is your name? When will you come? Who are you? Where did you get it? Why did she leave? How are you? III imperative summit: the sentence expressing order, command, advice, request, suggestion or instruction is called imperative sentence. Commands, or imperative sentences, make orders and direct prohibitions. They consist of predicates that are inergartic verbs, but they do not have explanatory matters. Get a good name Call for the doctor, please take the rest wait a minute does not go there to stop talking IV. Sentence Exclamatória: the Sentence expressing some strong feeling or emotion, like contempt, wonder, surprise, sadness, joy, etc. They are called exclamatory sentence. Exclamations are usually excitement expressions or any other emotion explosion. They are similar to commands and interjections, but also can be complete sentences. Yes! No! How do you date! Hurray! I won the fantastic contest! How beautiful flower v. Fragments: Fragments are incomplete sentences. Each sentence must have at least one main clause, which contains an independent and verb fellow and expresses a complete thought. Kamal wants to go. But I do not do it for the concert. That's why I have a headache. Although David wants to go, he can not. The score is a set of universally accepted brands, standardized, such as peroxies, vessels and question marks that help clarify the meaning of a sentence or structural assessments of O. In general, the owners do not require anything more than an apostrophy and sometimes an additional. For all singular words, add it "e in the end. Even if the word ends in -S, -x, or -z, the most common use adds - to the end. A noune or a pronoun, when it is used to show property or possession, authority, type, origin etc., it is said that it is in the possessive or genitive case. Nouns are the blocks of formation of phrases. A noun is a word used to represent general classes of people, places and things or something more intangible, as IDAs. What is a noun? A noun is a word that identifies a person's name, place, thing or idea. Common Nouns: People: Brother, Teacher, Machine, Gardener. Places: City, School, Hospital, Backyard. Things: Shoe, Pizza, Radio, Home. IdA © las: FAN ©, Beauty, Truth, Kindness. A pronoun is a word that replaces a noun or another pronoun. Pronouns are used á ě à ě
