Only students are the most intelligent - or cunning - who managed to go out. Including trick and examination course trouble. Type R disciples (diligent) and C (cheating) that stop in the other during the examination, to be able to get the highest score. Synopsis: In the world where education is everything, if you can pass with your academic skills, then you will live successfully. And if yes, who will survive the challenge and appear as a winner? Posted by admin on 25 May 2017 21015 Viewscheating Craft tells the story of where the world was ordered where it was ordered from childhood by the exam, only those who get happiness. The failure will make you live a cruel life, tortured by suffering and despair. To prevent the type C to get the highest score, type R students tried to fight them. This is based on the novel Gemini Xin Luo Zuobi Yishu (Hanzi :). These are two battle strategies: spend your whole life learn to examine or perfect your cheating strategy. This world is able to develop talent when youth measured during the exam, but there are some people who cannot accept their destiny if they can't exceed the exam and will do anything for the exam, this includes makeup and the examination disturbance, therefore, the exam will be a type L (learning) battle and type C (cheating) is a kind of student who prevents the trouble in the test, so their goal is the himself to get the highest score, in the arrangement to prevent the type L to get the highest score, type c fight against them. The world is clearly alone with those who are talented by young people - but there are also those who do not want to accept the fact that they fail and are ready to do anything to pass. This battle also involves supervisors who do not allow fraud, oizaps oizaps rajaleb kadit kutnu hilimem gnay akerem AAAe sinej JnagnaruceK(C nad A A nim 21 :noitaruD loohcS ,ydemoC ,noitcA :serneG levoN :ecruoS edalB :soidutS emos dda ,dnuof enoN :srosneciL nomE ,eugaeL noitaminA sreniloaH :srecedorP)TSJ(03:81 ta syadsendeW :tsacadorB 6102 llaF .dereimerP 61 12 ceD ot 6102 ,5 tcO :deriA gniriA dehsiniF :sutatS 21 :sedosipE VT :epyT : tfaRC gnitaehC isamrofni .narupmetrep nadem haubes idajnem habureb naidumek najju gnaur ,tubesret nasala satA .najju nawalem amas ajrekeb kutnu naksutumem gnauH iY oaiQ nijar isimedaka nad gniM uM eguhZ upineP elifeca | 3 evirDelgooG | 2 evirDelgooG | evirDelgooG BG 1 AAAe Jp027[hctaB elifeca | 3 evirDelgooG | 2 evirDelgooG | evirDelgooG BM 406 AAAe Jp084[hctaB odni buS natekaP edosipE aumeS daolnwod DAOLNWOD KNIL .pudih-pudih raulek asib gnayA - AA uL ?iridnes ayntaubmem tapad akerem hakapA .nomE helo iskudorpid nad EDALB helo nakisaminaid gnay aniC/gnapej emina isivelet laires halada uhsiY ibouZ lanekid uata tfaRC gnitaehC oidiv ,eminunog ,eminanotnon ,ukemina ,odniemina ,nanoc odni buS yilauq hgiH P042 P063 P 84 P027 daolnwod enlino gnimaertS nothoN JdaolnwodJ tfaRC gnitaehC hW 74:80 | 1202 ,iluJ 11 ,uggniM : etadpU ebutuoY yb dehsilbuP hctaB .P084 VKM ,P027 VKM odni buS tfaRC gnitaehC daolnwod .odni buS tfaRC gnitaehC daolnwod9102 sugA 20 xIF .kurupret pudih naka akerem lagag gnay akerem igab ,ipatet nakaA .naasutupek nad nastirednep helo askisret ,majek gnay napudihiek inihalajnem kutnu adnA mukuhgnem nalagagex?aynkirt nacam alages nad isemuM nakhalagnem iuoK hakapnaM lialumid nup R-epIT dirum gnaroes iuoK nad ,C-epIT dirum gnaroes ,iemuM aratna tignes narupmetreP Iuacak nikames It exceeds the battle and collaborates on the test. However, the allies were soon divided, becoming buckets rivals. Students who dedicate themselves to learning are called "Learning Genius" students and are forced to collaborate with "cheaters" students to fight their rivals for the best votes. Students dedicated to learning are called students "type of learning" and are forced to cooperate with students "type of cheating" to combat their rivals for the best votes.
