Cheats for Clash of Clans can give you more resources, and unlimited gems, thus, helping you win the game. Clash of Clans players know the importance of Clash of Clans cheats. Hence, they keep asking for Clash of Clans tips and tricks to get unlimited free gems for Clash of Clans game. In this article, we have put together some cool Clash of Clans tips-tricks and hacks for unlimited free gems.Clash of Clans (COC) is an incredibly popular multiplayer game available for Android as well as iOS. If you have played it once, you will keep continuing till you achieve a good league or level (in terms of town hall). COC is a highly addictive game for most and only a few could ignore playing it. Some players quit playing it when they reach town hall 9 or 10 or 11 (that's the most you can go!) because the upgrades take too long. Upgrading a troop may take almost 10 days or more. Can you wait for that long?Well, maybe, you can, but not everyone has the patience to. And, in such cases, the gems for Clash of Clans come handy. Gems are limited in Clash of Clans and are available to you only when you keep on increasing your trophies (promote to higher leagues till champions) or through other task completion (1000 war stars, and other milestones).Also Read:20 Best Multiplayer iPhone Games to Play with FriendsContentsClash of Clans Cheats: How to Get Free Gems for Clash Of Clans?The Pro Review from TechReviewProGems are limited and therefore play the most vital role in the game. With gems, you can boost a barrack (i.e train your troops faster), heal your heroes quickly, and also complete a construction or troop upgrade in an instant.So, in a nutshell, with Gems for Clash of Clans, you could quickly reach a higher level and complete upgrading everything. If you could upgrade troops in an instant and upgrade the defenses as well, then you could become a powerful player and beat everyone to become the best player in Clash of Clans.Knowing that, you definitely want to utilize the available gems, but what then? In order to keep using Clash of Clans gems till you get to town hall 11, you need to buy them through in-app purchases. Why would someone want to invest a whole lot of money just to upgrade the account in a game?Isn't there a better alternative to getting unlimited gems in Clash of Clans? Yes, there are Clash of Clans cheats and hacks. In fact, there are a lot of ways you could generate unlimited gems for free. Some of the ways mentioned are also a part of the game which you may not have utilized to get gems.Also Read:10 Best Stickman Games for Android with Stickman Gaming CharacterWell, I must warn you that there is no 100% working solution to get a lot offreegems at once. But, surely there are different ways by which you could get free gems on Clash of Clans. Yes, there's a Clash of Clans hack present as well. Let us take a look at the different Clash of Clans cheats and hacks by which you can get free gems for Clash of Clans.It is not rocket science but not everyone follows it either. I've seen a lot of villages which are not being cleaned. You may assume that they are dead bases, but they are not, still they don't tend to clean it.However, be sure to clean it at regular intervals. We will recommend you to wait for enough trees and gem box to appear, then start the cleanup process. It is observed that the gem per cleaning percentage is more when your village is more messed up. It's not an ideal fact but an observation which you can try. This Clash of Clans cheat is cool enough to help you get some free gems.Also Read:Top 7 Best Stickman Fighting Games for Stickman Shooting Games Loversjust playing the game and attacking will not get you free gems in Clash of Clans. You will have to fulfill the milestones mentioned in your profile section.For instance, you can get 250 gems when you achieve 150 war stars on your profile. And, that becomes 2000 gems when you achieve 1000 war stars (that's difficult). But, in order to avoid in-app purchases and get free gems, this should be your first priority.In the recent Clash of Clans update, we observe troop events or spell events. You get special offers to use the troops at a less cost and the same applies to spells. For instance, at the time of writing, healer event started where you are needed to destroy a base with 3 stars using 3 healers.If you do such attacks on three bases, you will be awarded 30 gems. It's easy. Shouldn't you do it? If you were ignoring the troops' event, do try completing it from now on.It isn't actually a hack where the police would bring you into the custody! But, it's a simple Clash of Clans trick which works to get some free gems.Have you heard about the applications which reward you with gift cards when you install other (sponsored) applications through it? Well, chances are, that you might have heard about them.Here, we will use three of those applications which provide good credits when you download and install an app through their referral.Also Read:Top 10 Best Android Tower Defense Games [Free and Paid]In a nutshell, you have to participate using the app and download applications through them to earn rewards (gift cards for Google Play or App Store), when you receive a gift card, you can simply redeem it through the Play Store or App Store to purchase gems. So, basically, you earned it, but you did not invest a penny in order to purchase gems.Do note that these referral rewarding services do not always work as expected. So, try it for a few times to observe if you get good credits, if not, simply try another service. We would recommend you not to waste time on a single service if you feel you aren't earning credits that you should.Among the three services mentioned, AppBounty seems to be the most popular solution to present you with rewards.If on Android, you will find three of these services as an app to have installed through the Play Store and use till you get great gift cards to redeem.If on an iOS device, you will have to visit them through your web browser (click on the links above for the respective services mentioned) and then try downloading applications through it to get iTunes gift cards.Also Read:Top 10 Free No WiFi Games that Don't Need Wi-Fi - Best Free Games Without Wi-FiNote: You need to change the currency both on your Apple ID and Google Play Store to USD in order to redeem the gift cards. It involves changing your country to USA (California) on iOS and changing your country on Google Wallet on Android. You may follow the official pages for Android and iOS to do that.On Android, you simply tap to buy the gems and then you'll find an option to put the redeem code, after entering it, you'll be good to go.On iPhone, you head to the quick links section and then click on "Redeem" to put the code and then head on to COC and perform the in-app purchase.Also Read:20 All-Time Best Classic Computer Games from the 90sI think you've got to know everything about how to get free gems on Clash of Clans. In addition to what we mentioned, there are no working "Clash of Clans Cheats and hacks". If someone tries to fool you with a gems generator, better not use it. Otherwise, you will end up giving your account to a hacker.If you didn't quite catch any of the above-mentioned steps, let us know through the comments below, we'll help you out here.
