It has given me immense pleasure and fulfillment playing the part of correspondent of Nirmala English medium school, Brahmavar for the last two years. At the very outset I offer my loving, prayerful and encouraging greetings to the principal, staff and students for their outstanding efforts as they have left no stone unturned to create the silver lines in the jubilee magazine more beautiful and memorable one. With the Principal, the teaching and nonteaching staff are fully happy and satisfied with thankful hearts the Almighty for His blessings and graces which flow every day on this temple of education.

To quote Swami Vivekananda: "Education which does not help the common mass of people to equip themselves for the struggles of life, which does not bring out strength of character, a spirit of philanthropy and courage of lion...is not worth its name". Real education is that which enables one to stand on one's own feet. Religion is essentially an initiation into inwardness, a cleansing of internal life. Once the individual becomes inwardly single, he or she lives for humanity, stands out for the truth and fears no one even when isolated and subdued.

In Nirmala English Medium school, we enterprise to map academic excellence with a good human value system, which in myriad ways is ingrained in the culture of the school. To achieve this, we strongly feel that a paradigm shift in the minds of all stakeholders should take place so that when the school becomes the hub to initiate and formalize education it has its tenets enshrined in a good value system; the extension of which is thereby taken home where it is further strengthened. And our commitment to such education will always persist in all our endeavours. In this pursuit of excellence, I appreciate our parent fraternity for supporting the school in every aspect. I also laud the relentless efforts of our past and present correspondents, Principals, teachers and non teaching staff for giving their best in bringing out the best in each child. I would exhort the students to be always modest, humble and disciplined, while being ready to expand the horizons of their knowledge and skills by dreaming big and working hard. As we observe the little caterpillar transforming into a beautiful free butterfly under the portals of "Nirmala Mathe," with a grateful heart I thank each individual who has walked in to this institute and helped us to imprint the silver lines in the history of Brahmavar. May the silver lines turn into gold and Diamond. May God the light of every knowledge give enough wisdom to the students to become good and responsible citizens of India.

I am grateful to the Editorial Board for working with dedication and devotion to bring out this amazing and incredible silver jubilee magazine.

HOUSE CAPTAINS

★ 2013/14 ★

Dunbar Grammar School has five houses: Winterfield, Victoria, Cromwell, Castle and Lauderdale.

Each year, house captains are appointed to represent their house, organise new events and competitions, and getting everyone involved!

Dunbar Grammar School Houses have been a tradition for a long time. At the end of the year the house with the most points win a prize. The last prize was a trip to the zoo. You can earn points through positive referrals, sports, charity activities and challenges throughout the year.

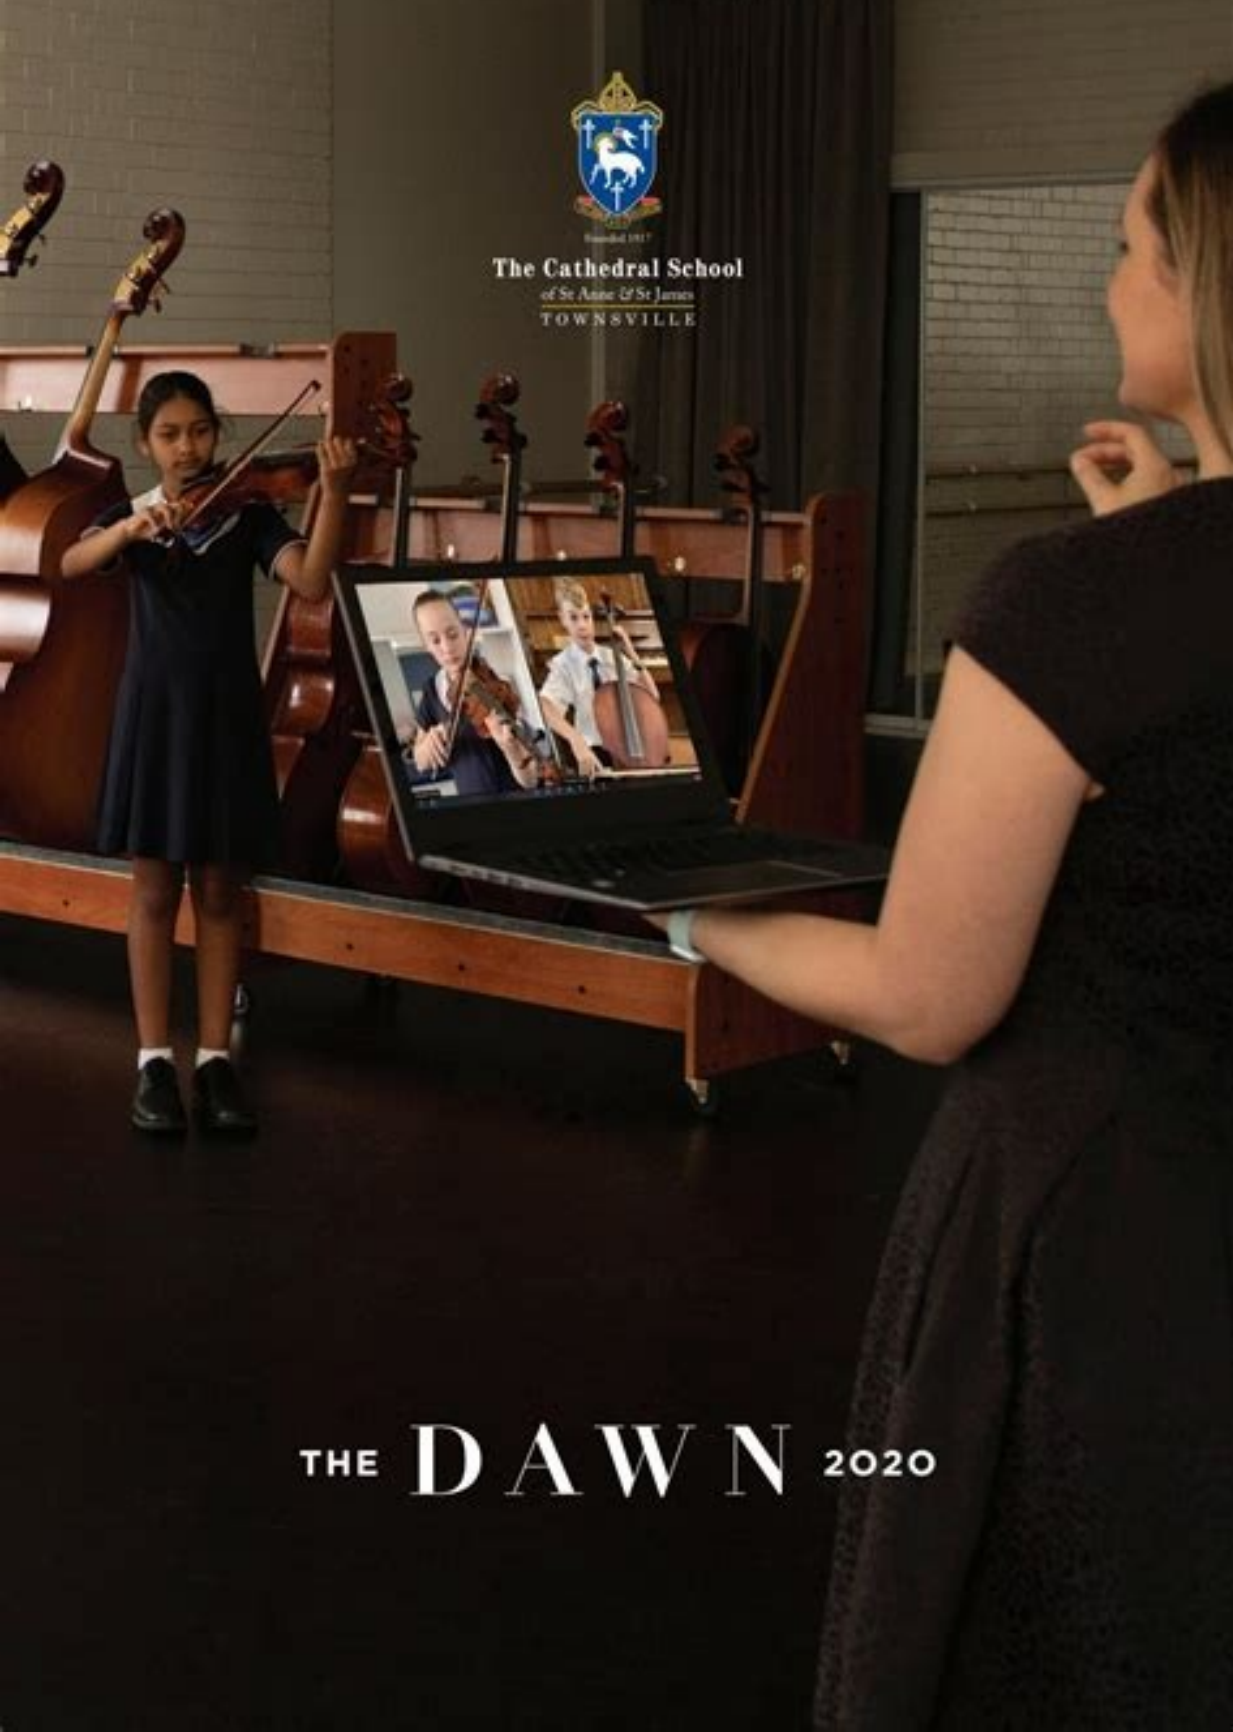

If you have an idea of how you could earn some more points then speak to your house captain or leave a note in the ideas folder on your house notice board (along the P.E. corridor.)

Remember the more points you earn, the more chances you have of winning that prize!

In this issue, we catch up with all the new house captains to find out a bit more about them and see how they are getting on in their new role...

His other games, A  do the mummy     and others, were equally interesting and fun. Richards (vice-captain   n), and G. Apart from athletics, the sports captains have not had the opportunity to use their offices, as these sports have not been played yet. This achievement would not have been possible had it not been for the athletes who gave their best. Bhagwandin, Goberdhan Singh and K. House captains and vice-captains were elected, and also captains and vice-captains for sports activities. Harris and S. F.... Q. Even though our players were just below the standard, our defeats were honorable. With a little more effort and practice, our players should have a better performance in future competitions. What I like to see is that more members, who, I'm sure, have talent in sports of all kinds, show more House Spirit and go out to make Pugsley House the house last to be in times past.
