Fake caller id mod apk latest version

Short Mod Apk Description: Prank call app 2021: Fake call & prank dial is a free Multifunctional fake call app that can simulate fake phone incoming calls with an editable name, image, and caller number for a fake call & prank dial. Users can get fake caller ID instantly with our free fake call app. Our spoof call & prank call app can be used for prank dial or any other spoof calling for a fake phone call instantly which depends upon the user's need to simulate incoming fake calls. A user can also simulate the fake caller ID of an incoming fake call, use the Avatar of a celebrity fake caller ID, or any other funny spoof calling characters like Friends, family, or any other. If you want to prank your family members, friends, wife, or even your girlfriend with a fake call, let them think you are getting a prank call from someone special? Do you want to get rid of a boring or unwanted situation by a fake phone call? We can help you with it by a fake call & prank call app with our latest fake phone call app: incoming call simulator 2021 for free. Fake call app: prank call simulator 2021 is a free spoof call app. You can set a prank call instantly, set a self-generated number of your own choice, use a fake number for a prank call and make a prank dial & fake call at any interval of time. The fake call app doesn't need to be active while the prank dial is enabled and the Caller ID is generating a fake call. We have also added a shake listener into the app which can enable a fake call of a particular prank caller ID by just shaking the device. In our Spoof call app & incoming call simulator app, a user can also record audio, set it as the call voice of a Caller ID to perform a fake phone call. The history of the fake calls is also saved and can be seen in the History tab, it is saved for future use. Main Features Set a scheduled incoming fake call. Add a fake caller ID: like an Incoming prank call from your Mom, police, celebrities, or any other name for the Fake call. Edit Caller ID picture, Fake call name & fake call number at any time for the spoof call. Record pre-added voice for the fake call, it will be played when the fake call is accepted. Chose a picture of your girlfriend as a fake caller ID in the prank call to fool others. Activate the fake call by our shake listener mode, the fake call will be activated when the device is shacked. Set any time interval of your choice for the fake call. Check out the history of all fake calls and Caller ID. Why selecting our app Set unlimited fake calls & prank calls. Select any picture, number, and name of your choice for the fake call. The Caller ID prank call screens are fully animated and colorful. Internet connection is not required for access. Set a time interval Manually for the spoof call. Add vibration to a fake caller ID. Add shake listener to activate the fake incoming simulated call. Disclaimer We do not provide a real incoming call; it is a simulated incoming prank call. This app is for entertainment purposes only. We do not own any trademark used. If you like our app don't forget to rate us, if there is anything to improve? Let us know by a review. Thank You! This version include several bug fixes and performance improvements .
