Keuntungan local guide. Keuntungan menjadi google local guide.

Banyaaakkk! What is clear, we help many people find honest reviews related to the experience that we come to certain places. Well, if in Google Map, it is more practical and we immediately know specifically the location further a review of a person's surprise. Maybe this is also a consideration of Google team. It's so, I have a photo like that, the restaurant / store I want to visit, right? The explanation is more or less so. So sometimes you forget to answer comments on the blog. When many times a day we look for the child's task response ~ ~> okay. It really is the location of the location. Pokes, diligently review EH e-mail). We have to rent an apartment or hostel or BNB water whenever it extends. What do you want to ask questions, check, ventilate (you know?), Etc., can curse directly on the thread: Â ¢ / 1/206566 then, how it can " 'Simple 'Simple can â € ™ de Bin's right like this, actually captures decision makers in the local Google guides? Sharing photos and videos, provides information by answering a question about somewhere. Maklumin Sã Cyiiin, Meat Sidqi Again many walls in the real world ". "Mo? The local guide is a global community of explorers to share knowledge, collect reviews, share photos, verify facts, edit information about the Google Maps, you should often find places and Along with photos / videos and there are some reviews of visitors. More varied and (generally) harder. Make a video selfie, by the way, DEWE, do not use the same edition Because, in fact, this is an international forum, so from the beginning, Google warned the participants who speak actively English. You should also prepare a budget of eating and walking / mode of transport. Please see and learn directly? Ã,. I present a 1 minute shipping video, which is described to myself as it is. Maybe this is what you are ¢ â, ¬ | Go to these local guides, in my opinion "is one of our response to Google. He actively writes Panjaaaagg articles, helps provide positive content in the digital domain. Discharge of responsibility: Banyaaak very friends, both in the real world and through medsos who ask themselves: "What are local quides? "Mother Mother Sidgi can be invited by Google to her office in friendlies, do you have? A, â - ã, âan ãf â © â £ nurulrahma is not a person of you. Well ... if you want to know more about it, it must be more detailed for them. I want to find a meal (culinary tourism) in the restaurant A. So, if there are things that are not very satisfied in the hearts of friends (related to the advice I share), we agree to disagree. After joining Google Local Guía and we will obtain at level 5, we will receive an email from the Google team (usually enter the main or the promotion. Then I click on the Review section and testimonies of reading (more Photos) that are shown there. APART A place not, however, or the verification of the information when verifying the facts (verifying the facts). Well, you know, the location points on the Google map are those that are what are They add. When they actively contribute, it means that we also help the domestic economy. I open on Google Map map. But, my advice, while time is still a long time, "it is better to start more serious friends and improve English language skills. Next advantage, advantage, advantage, we have level 5 and superior, you will have many surprises waiting! Suddenly, there is a notification that "okay! You owe a balance of payment worth 150 thousand rupees! In addition, local guides can also provide revisions related to the places we have visited. Well. At levels 1 to 3, the increase at the level feels very easy, but you do not have an insignia. He wants to be invited to the United States to join the summit, or not having had the opportunity to get to Sono, if the 'Share' intention is already sincere 'Most local guides are travel enthusiasts / bloggers / vloggers with flight hours around the world that surprises me. Ã ¢ â, ¬ å "Castled! Get a discount of 200 A thousand stay at Airy Rooms, entering the next coupon code. Very well, we can not) is not a burden on our lives. especially for this publication, I really try to configure to answer 'because qui ERO HAVE A REPRESENTATIVE (again) of a collection of bloggers (keb) to join the Local Guess Summit of Google 2018 ... Yeayyyyy! You should often see reviews on Google Maps Application before visiting the place. In addition, if you think, we will pay debts with Google. More and more revisions, our scores increase and our level also increases, âoosshhh! The complete tutorial is already on YouTube. But if I can give me a false analysis, why my mother can be transported in this great event, then ... the simplest example. The keyword is: as it is. That's all, just think it's simple. First we equip the perception. I have to be proud to be a mother! Then, I repeatedly say that I am a mother blogger, mother with a son, who likes to wander and try new things, in addition to knowing, And you can recommend that destination is friendly for a family vacation. Update information with the edition of a place or location. In this world, there is paid nature, there are also opportunities for our beneficial organization. What is a local guide alias a local guide? Google's comments formed the reviews, evaluations and photos of these locations, well, evaluations that became local guidelines. Different Dong Kakaaak. As an Internet citizen, we must celebrate the principle of "do what is good and improves our Akherat and our world." You want me to be paid or released, just do it! When I began to contribute to local guidelines, there was not at all ", it's good at Google Dong! I share free photos, do not pay me ... What is luck for me?" Hellawww, Not everyone is not calculated in transburstly. This review produces LOH points. Tapiii, one thing that you should celebrate friends: just because it was chosen to be an Indonesian delegation at the Local Google Guide Summit 2017, it did not indicate that I was the best. Curious about the video I have sent out of? I answer as much as possible. Electronic mail contains information that Google invites local guidelines?" This application in a 1minute video form trial approximately 500 words ago. Thread in the Local GuideConnect.com all must be presented in English. What is clear is ... This is the advantage of being local guides from Google A A "â €" ¢, and of course "*** IH. It is really important, Buk, make a disclaimer throughout Of that, hehehe. Next question What are the benefits that can be obtained if it becomes a local guide? The type and number are different in each country. I'm sure and very understood, Las Local Son Mucho Son Mucho Much, Smart, Califsical, English What I think is, everyone has their own rations of fortune. This is an invaluable experience. When he arrives at level four, he has just Photos and videos, grades and stars reviews or comments are given by local guja. Read: Thank you very much, Keb! And ... Do you give yourself at Hyatt Fisherman 'S Wharf Hotel But what can you have a special Google invitation? Well. If we have Google invitation? the following: level 1 with 0 points means that there is no distinctive / launch level 2 with 15 points = 4level 5 -star badges with 5,000 points = 5 level 6 -star badges with 5,000 points = 7 elvel 5 -star badges 8 with 15,000 points = 8 evel 7 star badges with 5,000 points = 7 elvel 5 -star badges 8 with 15,000 points = 7 elvel 5 -star badges 8 with 15,000 points = 8 evel 7 star badges with 5,000 points = 8 evel 7 star badges 8 with 15,000 points = 8 evel 7 star badges 8 with 15,000 points = 8 evel 7 star badges 8 with 15,000 points = 8 evel 7 star badges 8 with 15,000 points = 8 evel 7 star badges 8 with 15,000 points = 8 evel 7 star badges 8 with 15,000 points = 8 evel 7 star badges 8 with 15,000 points = 8 evel 7 star badges 8 with 15,000 points = 8 evel 7 star badges 8 with 15,000 points = 8 evel 7 star badges 8 with 15,000 points = 8 evel 7 star badges 8 with 15,000 points = 8 evel 7 star badges 8 with 15,000 points = 8 evel 7 star badges 8 with 15,000 points = 8 evel 7 star badges 8 with 15,000 points = 8 evel 7 star badges 8 with 15,000 points = 8 evel 7 star badges 8 with 15,000 points = 8 evel 7 star badges 8 with 15,000 points = 8 evel 7 star badges 8 evel 8 eve points = 8. Level 9 -star flags with 100,000 points . = 10 stars of the badge What are Google Maps is to donate a little content to Google Maps. Guía program Google Maps was deliberately prepared for Explorer volunteers who want to share local knowledge or their travel experience with other people who could think the same and happy to explore. Well, Google Local Guides is voluntary / volunteers / contributors who contribute in the form of additional location points in Google Map. Many commercial elements are shared that are promoted â €
