If we start from A A © I we will eat some important spoiler. The latter tend to be smaller productions, mostly¹ intended for portA tiles consoles, mobile A³ and/or digital platforms. First of all. For example, the plot of Assassin's Creed IV's past: Black Flag is desired before that of Assassin's Creed III, but at the same time, the present plot of Black Flag goes after A A® s than that of A A©ste. The main point of discussion is that the history of the present and the past does not always proceed at the same pace. That's why ©, even if there's A¨ who recommends playing Assassin's Creed IV: Black Flag and Assassin's Creed Rogue before Assassin's Creed III (that's why © follow the right order in the past), we will keep the starting order so as not to spoil the result of Desmond's story before time. The one that never fails. One of the advantages that this man Assassin's Creed Origins and Assassin's Creed Odyssey, which guard and are two of their best deliveries. Better to start with them, so that if you end up there parcel and let go, at least we tried its best fruits. All Assassin's Creed n their launch date. After the last deliveries to Egypt (with Origins) and Greece (Odyssey), Eivor and his clan travel to medieval England. Founds your settlement, conquers that hostile land that costs and pillars towards a place in Valhalla. England of the Vikinga era a fractured nation \hat{A}^3 , full of feudal ruins and kingdoms in war, but under this chaos lies a rich and endless land that \hat{A}^3 waits for someone to conquer it. Put yourself in Eivor's skin and head to your clan from the g \hat{A} ® lidi branches of Norway to a new home the lush fields of England of the 9th century. 48-38 b.C.)
